## OUR ROOMS

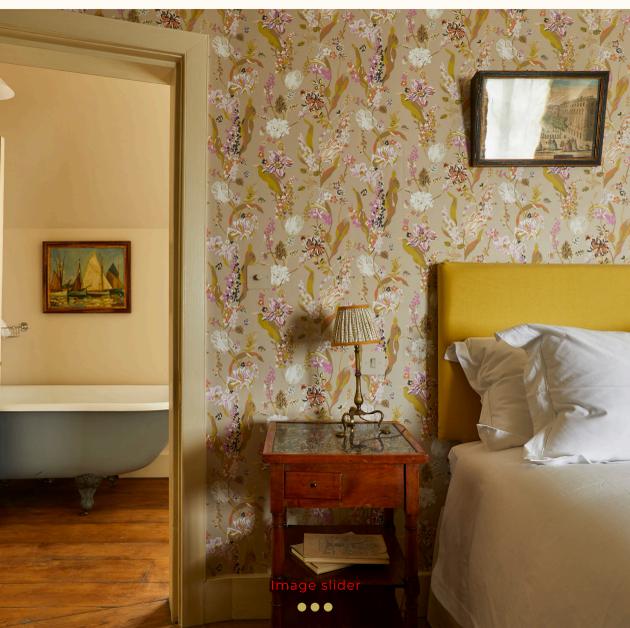

# Take a look at our rooms...

With lavish interiors by Edward Hurst, the estate's farmhouse was recently featured in House & Garden. Its six en-suite double bedrooms each have their own unique personality, featuring handpicked artworks and antiques from the Ritchie family's own collection.

The two new Hayloft suites, meanwhile, offer extraordinary luxury and towering views over Cranbourne Chase, an Area of Outstanding Natural Beauty and International Dark Sky Reserve.

# Upstairs Rooms

AUSTEN, BRONTE, ROSETTI, BROWNING

- Inspired by the elegance of a colonial Williamsburg hunting lodge, the upstairs rooms are the largest in the house, each with its own distinctive personality. Striking, richly patterned wallpapers are paired with antique furniture and original artwork from Guy Ritchie's personal collection, creating spaces that feel both characterful and refined.

- All rooms are en-suite doubles and benefit from exceptional, far-reaching views across the estate, offering truly breathtaking outlooks in varying directions

# Downstairs Rooms

WOOLF, EVANS

- The downstairs rooms mirror the refined styling of the upper floor in a slightly more intimate setting. Each is an en-suite double and is accessed from the open-plan ground floor, where open fires, generous sofas and a well-appointed kitchen create a warm, relaxed atmosphere — ideal for unhurried mornings with coffee or unwinding after a day's shooting.
- Patio doors open directly onto the terrace, allowing guests to step outside and enjoy the grounds at leisure.

# The Hayloft

BISHOP, OLIVER, ANGELOU, DICKINSON

- Designed to complement the Farmhouse while offering a subtly different experience, the Hayloft blends its barn origins with the same sense of comfort and quiet luxury. Impressive structural beams, generous proportions and an abundance of natural light define the spaces, softened by elegant finishes that maintain a refined, luxurious feel.
- Antique furniture and artwork — consistent with the Farmhouse — ensure both properties complement one another seamlessly. All rooms are extremely spacious en-suite doubles, offering a refined yet relaxed retreat.
